

State of Florida Association of Police Athletic/Activities Leagues, Inc. Donor Privacy Policy

The State of Florida Association of Police Athletic/Activities Leagues, Inc (SFAPAL), does not copy, reproduce, publish, post, distribute, share or sell, the names, personal contact information or description of donation of donors to any outside individual or business. Exceptions shall be those required by law or requested in grant applications.

The SFAPAL does acknowledge donors by name and/or description of donation, after the donors have given their written permission, in certain printed material such as chapter newsletters, brochures, press releases, event invitations or programs, stationery, solicitation letters, the organization's website or other means of expressing appreciation for the donors' assistance. A donor wishing to view samples of these publications may do so by contacting the SFAPAL at the address below.

The SFAPAL will provide, at least annually, a means (such as a check-off box) for both new and continuing donors to inform the SFAPAL if they do not want their names acknowledged on any of the printed material mentioned above. All donations shall be treated individually so that multiple donations from a single donor shall receive the same consideration as if each were the first donation received.

If a donor chooses to opt out of any acknowledgement listings in printed material, the donor's name and address will be made available only to members and/or staff of the SFAPAL who are responsible for managing the business of the organization.

A printed copy of the SFAPAL Donor Privacy Policy will be mailed to a donor upon request and is also available on the organization's website. All records of donations to the SFAPAL shall be maintained by the organization according to the applicable standards of record retention in effect at the time of the donation. All records will be maintained in a secure location of the SFAPAL.

A donor's photograph will not be used at any time or in any SFAPAL publication without the donor's written consent. In the case of a minor, written permission will be obtained from the parent/guardian. The personal information of a SFAPAL member will not be shared without the written consent of the individual. Exceptions shall be those set forth in this Donor Privacy Policy, a copy of which is on file with the SFAPAL. Donations received by a SFAPAL member will be afforded the same considerations as stated in this policy.
